

Duro Felguera, S.A. ("**Duro Felguera**"), in compliance with what is set forth in clause 227 of the Amended Securities Market Law, hereby publishes the following

#### **FURTHER RELEVANT INFORMATION**

In relation to the "430 MW combined cycle plant construction project in Iernut (Romania)", which Duro Felguera is carrying out in consortium with S.C. Romelectro S.A. (Duro Felguera 70% and Romelectro 30%, hereinafter the "consortium"), the Company hereby informs, as a continuation of the announcement made on 9 April, that ROMGAZ and the consortium have formalized a new agreement, under which they have extended the suspension of their respective legal actions for an additional period of 15 days, in order to reach an amicable solution that will enable the continuation of the project.
